### 3 EXPOSURE & RISK QUESTIONS — PAPER INVENTORY, WATER & SMOKE

Water from a leak, burst pipe, neighboring unit, or sprinkler discharge is the leading property loss for bookstores. Even a small, quickly contained fire can ruin stock through smoke and water.

|                                 |                          |                              |                               |
