## 2 OPERATIONS

DESCRIPTION OF THE OPERATION (SPECIES, HOUSING, PARLOR TYPE, WHAT HAPPENS TO THE MILK)

**Herd:**

Milking animals     Dry animals     Heifers / youngstock     Bulls on site     Acres farmed     Employees

**Milking system (check all):**

☐ Tie stall / stanchion    ☐ Parlor (herringbone / parallel)    ☐ Rotary parlor    ☐ Robotic milking

**Manure system (check all):**

☐ Daily spread    ☐ Earthen lagoon    ☐ Concrete / steel tank    ☐ Under-barn pit    ☐ Pump room / reception pit    ☐ Digester

**Milk is sold (check all):**

☐ To cooperative / processor    ☐ Bottled on farm    ☐ Raw milk direct    ☐ Cheese / yogurt made on farm

## 3 EXPOSURE & RISK QUESTIONS — MANURE, GAS & CONFINED SPACES

Six workers died of hydrogen sulfide at a Colorado dairy in 2025 after a manure pipe broke in a pump room; OSHA proposed \$246,609 in fines against the dairy and two contractors.

|     |                                                                                     |                                                          |
|-----|-------------------------------------------------------------------------------------|----------------------------------------------------------|
| 3-1 | Are there manure pits, pump rooms, reception pits, or tanks that workers may enter? | <input type="checkbox"/> Yes <input type="checkbox"/> No |
|     | IF YES, EXPLAIN <input type="text"/>                                                |                                                          |
| 3-2 | Are confined spaces posted and entry permitted only with a written procedure?       | <input type="checkbox"/> Yes <input type="checkbox"/> No |
|     | IF YES, EXPLAIN <input type="text"/>                                                |                                                          |
| 3-3 | Are hydrogen sulfide monitors and ventilation used in pump rooms and barns?         | <input type="checkbox"/> Yes <input type="checkbox"/> No |
|     | IF YES, EXPLAIN <input type="text"/>                                                |                                                          |
| 3-4 | Do contractors (robotics, manure, construction) work in manure areas?               | <input type="checkbox"/> Yes <input type="checkbox"/> No |
|     | IF YES, EXPLAIN <input type="text"/>                                                |                                                          |

|     | IF YES, EXPLAIN <input type="text"/>                                                |                                                          |

#### 4 EXPOSURE & RISK QUESTIONS — HERD HEALTH, MILK & HANDLING

USDA has paid dairies for milk lost when H5N1-positive cows were pulled from the milking herd — about 21 days of no milk per cow.

4-1 Has the herd had a reportable disease (H5N1, TB, brucellosis) or quarantine? ☐ Yes ☐ No  
IF YES, EXPLAIN

4-2 Is there a written biosecurity plan for visitors, trucks, and new animals? ☐ Yes ☐ No  
IF YES, EXPLAIN

4-3 Is there a standby generator for milking, cooling, and ventilation? ☐ Yes ☐ No  
IF YES, EXPLAIN

4-4 Has a load of milk been dumped for antibiotics, temperature, or contamination? ☐ Yes ☐ No  
IF YES, EXPLAIN

4-5 Are raw milk or on-farm dairy products sold to the public? ☐ Yes ☐ No  
IF YES, EXPLAIN

4-6 Are bulls kept on site or used for breeding? ☐ Yes ☐ No  
IF YES, EXPLAIN

4-7 Do visitors, tours, or school groups come onto the farm? ☐ Yes ☐ No  
IF YES, EXPLAIN

#### 5 PAYROLL, SALES & REVENUE

|                                         |                              |                      |
|-----------------------------------------|------------------------------|----------------------|
| TOTAL ANNUAL PAYROLL (\$, ILLUSTRATIVE) | FULL-TIME EMPLOYEES          | EMPLOYEES UNDER 18   |
| <input type="text"/>                    | <input type="text"/>         | <input type="text"/> |
| ANNUAL MILK SALES (\$, ILLUSTRATIVE)    | DIRECT SALES / PRODUCTS (\$) | CATTLE SALES (\$)    |
| <input type="text"/>                    | <input type="text"/>         | <input type="text"/> |

#### 6 PRIOR INSURANCE & LOSS HISTORY

Attach currently-valued loss runs for the last 5 years.

|                                |                      |                      |
|--------------------------------|----------------------|----------------------|
| CURRENT FARM LIABILITY CARRIER | LIMIT / DEDUCTIBLE   | EXPIRATION DATE      |
| <input type="text"/>           | <input type="text"/> | <input type="text"/> |

6-1 Has any carrier declined, cancelled, or non-renewed coverage for this operation in the last 5 years? ☐ Yes ☐ No  
IF YES, EXPLAIN

6-2 Has the dairy had livestock deaths, milk spoilage, or barn fire losses in the last 5 years? ☐ Yes ☐ No  
IF YES, EXPLAIN

| DATE OF LOSS | DESCRIPTION | TOTAL INCURRED (\$, ILLUSTRATIVE) | OPEN / CLOSED |
|--------------|-------------|-----------------------------------|---------------|
|              |             |                                   |               |
|              |             |                                   |               |
|              |             |                                   |               |
|              |             |                                   |               |

6-3 Is the applicant aware of any incident, complaint, or circumstance not yet resulting in a claim that could reasonably give rise to one? ☐ Yes ☐ No  
IF YES, EXPLAIN

7 RISK MANAGEMENT & SAFETY

7-1

Are workers trained in their language on manure gas, confined spaces, and never entering to rescue?

☐ Yes ☐ No

IF YES, EXPLAIN

7-2

Is there a nutrient management plan and an emergency spill plan?

☐ Yes ☐ No

IF YES, EXPLAIN

7-3

Are cattle handling, bull safety, and parlor procedures written and trained?

☐ Yes ☐ No

IF YES, EXPLAIN

8 SIGNATURE & FRAUD WARNING

The undersigned declares that the statements and answers given in this supplemental are true, complete and correct to the best of their knowledge, and that no material fact has been withheld or misstated. The applicant agrees that this supplemental, together with all ACORD applications and attachments, forms the basis of any submission to insurers and may be relied upon by them. Signing this supplemental does not bind coverage. This supplemental is an intake document prepared by Cory Washington & Co. LLC to support carrier submission; it does not itself provide coverage.

**FRAUD NOTICE:** Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance containing any materially false information, or conceals for the purpose of misleading information concerning any fact material thereto, commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties. (State-specific fraud warnings apply; see state amendatory notice.)
